RE: Parking at your own risk.

Dear Tenants of 7108 De Soto Avenue,

I must remind all tenants and customers of tenants that there is **ABSOLUTELY no 24-hour parking for any car or vehicle.** This is considered private property.

There also is **ABSOLUTLY NO OVERNING STAYING** in any of our office suites.

If your car is found on the property you are risking it being towed. Please do not park any cars or vehicles on the property after normal business hours.

Any questions or concerns please contact Helen Young 805-304-5119 or Henry Becker at 818-648-3501 or email me at 7108desoto@gmail.com

Thank you all for being customers.

Warm regards,

Henry Becker
